Stella: "Simon... I like that name!"

(They begin walking to L )

Jeremy: "I'm Jeremy, and that's Stella" (he points to Stella) "What happened to you?"

Simon: "Well the last thing I remember is my ship hitting a rock, and then I fainted, now I'm here"

FMW: "Is he ok?"

Stella: "Yeah." (quietly) "He's kinda cute..."

Stella: "Whaaat? No, I don't!"

Simon: (sit up) "What is it?"

Stella: (She hesitates) "The grand ball is tonight, The theme is White Ball"

Simon: "That's cool!"

Stella: "Yeah, and I was hoping you would go with me."

(Simon blankly stares at Stella and then speaks after a long pause)

Simon: "Stella, why did you even ask?"

Stella: "I get it if you don't want to go."

Simon: "No, I would love to go! I don't know if you knew this but it was love at first sight for me."

Stella: (Shocked) "Wait, really?"

Simon: (he stands up and holds Stella's hands) "Yes, you're perfect Stella. I have no clue how I lived before I met you."

Stella: "So you want to go?"

Simon: "Of course."

Stella: "Well we have to prepare, I already have a wonderful white dress but you need a suit, don't you think so?"

Simon: "That is correct!"

Stella: "I'll ask my father." (she shuffles over to a landline phone and dials in a number) "Father? Do you have a white suit that I- no Simon may borrow? You do? Okay, Simon and I will head over there shortly."

Simon: "So, are you ready to go get the suit I'm borrowing?"

Stella's Mom: (hugging Stella) "How have you been Stella! And who is this wonderful man next to you?"

Simon: "I'm Simon!"

Stella: "Yeah, me and Jeremy found him bleeding out on shore and I let him stay at my house, and to answer your question Mom, I've been fine"

Stella's Father: "Hey there buddy! Have you been treating our little Stella Octangula well?"

Simon: "Stella Octangula?"

Stella's Father: "Tammy will tell ya, I'm going to take Stella to show her the suit you're gonna use!" (He motions Stella to follow him, and they both exit stage L)

Stella's Mother: "So Simon, our Little Stella got her name from the Stella Octangula, a shape that was very important to our family"

Simon: "What does it look like?"

Stella's Mother: "It's made out of 8 triangles"

Simon: "Ohhh gotcha!"

Stella's Mother: "Almost every mother in this family has named one female child Stella, so we carried it on."

Simon: "It will be ok Stella."

Stella: "Fine."

(Stella walks out on stage in a big white dress)

Simon: "Woah. You look wonderful!"

Stella: "Really? I hope you aren't lying Simon."

Simon: "Why would I ever lie, my dear?"

(Stella takes Simon's hand and they exit stage L. The curtains close and reopen to a Ball Setting)

Stella: "I'd love to, Simon!"

(They dance for a bit with others also dancing around them)

Stella: "Not to be rude but, your face looks a bit feminine for a guy..."

(They stop dancing)

Simon: "Oh! Well... uhm" (He rubs the back of his head)

Stella: "Are you ok Simon? You don't have to tell me why you look like that if you don't want to"

Simon: (He motions his hands) "No no! Its ok, it's just that..." (He inhales)

Stella: "Simon?"

Simon: "I wasn't born... a man..."

Stella: (She looks shocked) "So you're telling me-"

Simon: "I'm Trans..." (He hides his face)

Stella: "Simon... You don't need to hide who you are from me."

Simon: "Y-You support me? I-I-I've never had anyone love me after I tell them that..."  
(He looks at his feet)

Stella: "Of course, Simon, I love you for who you are."

Simon: (He hugs Stella) "Thanks" (He hesitates) "My Stella Octangula..."

Stella: (She hugs back) "Nicknames already?"

Simon: "I'm sorry if you don't want to be called that-"

Stella: "No No! I love being called nicknames!"

Simon: "Well ok."

(Simon and Stella stop hugging and start holding hands)

Simon: (Sigh) "Well the Ball is ending, would you like to go now?

Stella: "Sure!"

(Simon and Stella exit R and the curtains close and reopen in a forest setting)

Stella: "This is wonderful Simon, I see why you wanted to have a date here"

Simon: "Well, all I did as a kid was play in the woods, so I guess it grew on me."

Stella: (Slight pause) "I've never been out of Hawaii, I want to travel the world with you, Simon."

Simon: (He grabs Stella's hands) "I Promise you, we will travel the world, my dear. We will see all the sights!"

Stella: "I'm glad I chose to love you, Simon."

Simon: "I'm glad too. Hey, I'm going to go get some flowers. I'll be back."

Stella: "I'll be waiting!"

Simon: "Oh God."

(Murders begins and Simon sings and does the choreography and then it finishes)

(Stella's Mother Walks on stage horrified)

Stella's Mother: "SIMON? WHAT DID YOU DO TO STELLA?"

Simon: (puts his hands up) "I'm sorry, this isn't what it looks like."

Stella's Mother: "YOU KILLED MY STELLA! YOU MONSTER!"

Simon: "No! I-I loved her with all my heart!"

(Stella's Mother runs off)

Simon: "Why are you talking Simon, you'll never convince her."

(Simon walks to a tree and sits down)

Simon: "I'm too far to walk to Stella's house." (sigh) "I'll just sleep here..."

(Simon closes his eyes and the Curtains close)

(The curtains open to Police surrounding Simon)

Police 1: "Is he awake?"

(Police 2 kicks him lightly)

Police 2: "We might have a case of Murder-Suicide."

(Simon wakes up)

Simon: "What happened?"

Police 1: "Sir, we have reason to believe you have murdered Ms. Stella Kahale."

Simon: "What?!"

(Simon gets up)

Simon: "I never hurt her! She was the love of my life!"

Police 1: "That's what they all say, buddy"

Jeremy: "Are you sure? People say that others come out insane after what you went through."

Simon: "Like I said, I'm fine Jeremy."

Simon: "Thank you for your trust."

Jeremy: "Listen, you can live with me until you are able to rent a house."

Simon: "Thank you"

(The curtains close and reopen to Jeremy's house)

Jeremy: "So here we are. You have a room and I have a room, try not to do any weird stuff. Ok?"

Simon: "Alright. Can I tell you something?"

Jeremy: "Sure."

Simon: "Ok" (Simon grabs Jeremy by the collar) "Jeremy. I don't feel normal, I don't feel like me."

Jeremy: "Oh god, I was right about you going insane!"

Simon: "I'm not insane, I'm just..."

Jeremy: "Just?"

Simon: "I'm just- just"

Jeremy: "It's ok Simon."

Simon: "No it's not!"

Jeremy: "Yes it is."

Simon: (he lets go of Jeremy's collar) "No it's not Jeremy! It's just that my mind feels like a labyrinth."

Jeremy: "Simon, I need you to understand that this is normal."

Simon: "NO ITS NOT!"

Simon: "Its like im trapped, in my own mind, a labyrinth of my own design

(Labyrinth begins, an off stage voice sings the woman's lines in the song while Simon sings the rest. Simon ends the song curled up in a ball center stage)

Jeremy: "Listen Simon I understand, this has happened to one of my friends before.  
Just try not to think about what happened."

Simon: "JEREMY! I-I need to get my mind off of this, is there a bar anywhere near here?"

Jeremy: "Drinking away your sorrows, I thought you would never say anything like that.

Simon: "IS THERE A BAR OR NO?"

Jeremy: (he flinches) Y-yeah. Follow me..."

(They walk off stage and the curtains close and reopen to a bar setting, someone is sitting at a table asleep)

Jeremy: "Here it is..."

Simon: "Thank god!" (He runs to the bartender) "Can I get 3 shots!"

Bartender: "alright..." (He hands Simon 3 shots) enjoy."

(Simon drinks all of them in a hurry)

Simon: "God that hits the spot..."

Jeremy: "Simon, don't drink too much please..."

Simon: "I won't! Hey! Can I get 5 more shots? (He waves his hand)

Bartender: "Sure (He makes 5 more shots and gives them to Simon)

Simon: (He drinks them all and stands up wobbling) "Wo-ah!"

Jeremy: "Simon? You good"

Simon: "I feel funny..."

Jeremy: "I think it's time we go home."

Simon: "Noooooo, I want more..."

Jeremy: "Fine, we can stay for a bit longer."

Simon: "Yay!" (he waves to the bartender) "3 more shots please"!

(The bartender hands him three more shots)

Bartender: "Are you ok sir? You've had a lot."

Simon: (drinks one) "Ohh yeah! I'm good..." (he drinks the other 2)

Jeremy: "Simon, you're obviously drunk..."

Simon: "What? Noooo. I'm not drunk... YOU'RE DRUNK!" (he touches Jeremy's nose)

Jeremy: "No, I'm not, you are."

Simon: "Noooo you are"

Jeremy: "No im no"

Simon: "I LOVE YOU JEREMY!" (he covers his mouth)

Jeremy: "What? What did you just say!"

Simon: "Noooothing" (He gives a drunken smile)

Jeremy: "No, I heard you! Y-You love me?"

(Simon slightly nods)

Jeremy: "Wow, i uh-

(Simon hugs Jeremy)

Simon: "Things have been hard without Stella, i need someone to love... and that happens to be you, Jeremy"

Jeremy: "Is that the alcohol talking or do you really mean that?"

Simon: "A little bit of... both?"

(they stop hugging)

Jeremy: "Well, I love you too Simon."

(Simon runs off stage laughing)

Jeremy: "Simon! Wait!"

(Jeremy chases Simon and the curtains close and reopen to Jeremy's house, both of them sitting on a bed)

Simon: "Wow... that was-"

Jeremy: "Certainly a night."

Simon: "Yeah..."

(Simon rests his head on Jeremy's shoulder)

Jeremy: "S-Simon!"

Simon: (he lifts his head up) "Sorry! I didn't mean to-"

Jeremy: "N-No! It's ok..."

Simon: "Alright..." (he puts his head back on Jeremy's Shoulder)

Jeremy: "First time drinking?"

Simon: "Y-Yeah... I think I'm considered 'Sober' now."

Jeremy: "Yeah. I-"

Simon: "I think you're better than Stella..."

(slight pause)

Jeremy: "What? Better than Stella?"

Simon: "Yeah."

Jeremy: "Well... I- uhm-"

Simon: "I love you Jeremy"

Jeremy: (he thinks for a moment) "I-I love you too."

(Simon smiles)

Simon: (Simon thinks) "Could we maybe... Get together?"

Jeremy: "What?"

Simon: "Y'know... Becoming a couple?"

Jeremy: "Uhm" (He thinks) "S-sure..."

(Simon lifts his head and hugs Jeremy)

Jeremy: "It's almost night, I'm going to go to try and get some rest, you should as well."

Simon: "Alright, I'll try"

Jeremy: "Thank you Simon, I know it's been hard with all of these murder allegations and you receiving that weird form of therapy."

Simon: "Yeah it's good. You should go to your room now!"

Jeremy: "Alright. Good night."

Simon: "Good Night!"

(Jeremy exits L and Simon begins rummaging through his temporary room for parts)

Simon: "Will any of this stuff work?" (He throws items behind him)

Simon: "I need to find a way to get back to Stella!"

(Jeremy pokes his head out.)

Jeremy: "Simon?"

(Time Machine Starts playing, all of the choreography happens and Jeremy walks up to Simon)

Jeremy: "Simon, why are you awake?"

Simon: "I need to get back to Stella..."

Jeremy: "Simon, you need to understand that Stella is gone."

Simon: "I know... But if I build a time machine, I'll be able to get back to her!"

Jeremy: "Simon, you canNOT build a time machine. That's impossible!"

Simon: "NO ITS NOT!"

Jeremy: (He flinches) "Simon, I feel what you feel. Stella was my closest friend."

Simon: "SHE WAS THE LOVE OF MY LIFE, HOW DO YOU NOT UNDERSTAND THAT JEREMY?! Even if we are together, I can't live without Stella..."

Jeremy: "I understand it's just. You have to let go, Simon." (he whispers) "wow, he doesn't love me."

(Simon sniffls)

Jeremy: "It's what Stella would have wanted."

(Simon begins to cry and hugs Jeremy)

Simon: (through tears) "I miss her so much!"

Jeremy: "I understand that you miss her Simon, cry as much as you need to."

(Simon continues to cry and Jeremy pats his back)

Jeremy: "It's ok Simon, I'm sure if Stella was here she would be the one hugging you."

Simon: (still crying) "It's all my fault. I chose the woods for a date, I turned around and didn't hear the tree. I could've saved her."

Jeremy: "No it's not your fault, it's the world's fault."

Simon: (stops crying) "I-I guess you're right."

Jeremy: "I'm almost always right."

(They stop hugging each other)

Simon: "Yeah, Stella told me that."

Jeremy: "Here, How about we go get something to eat?"

Simon: "Sure."

Jeremy: "Let's go."

(They both exit stage R and the curtains close)

(The curtains open to Simon putting his sailor outfit back on and Jeremy walking in)

Jeremy: "Simon? What are you doing?"

Simon: "Oh hi Jeremy. I'm just preparing to go back home."

Jeremy: "Why are you leaving Hawaii?"

Simon: "This hellhole has brought me almost nothing but anger and sadness. I need to leave."

Jeremy: "By almost you mean everthing but-"

Simon: "Everything but Stella. I miss her so much. A-And you!"

Jeremy: "But you don't have a boat anymore. What are you gonna do?"

Simon: "That's simple. Steal one!"

Jeremy: "Simon. Don't commit any crimes. Stella would've never wanted that for you-"

Simon: "Stop using Stella as an excuse to tell me that I shouldn't do something. You're always going on about how 'Ohhh Stella would NEVER want you to do that.' or 'Stella would leave you if she was still here.' I'm sick and TIRED of it Jeremy. My life has fallen in shambles without her, that's why I'm leaving this godforsaken island. To go back home to my family and hopefully meet someone better than Stella or You"

Jeremy: "Better than Stella or me??"

Simon: "And if I go back, my name will be cleared of the murder charges, at least I hope. I want to have a fresh start, one of the reasons I wanted to come here to Hawaii was to have a fresh start! I got what I wanted but at the price of losing control of my mind. You don't know how many nights and days I've fought urges to KILL."

Jeremy: "I knew that judge was wrong."

Simon: "Don't ever talk about that satan spawn around me again, That person was the one who made me get that insane form of 'Therapy' HOW IS GETTING SHOCKED A FORM OF DAMN THERAPY?"

Jeremy: "I-I don't know but-"

Simon: "AND IF I NEVER ASKED STELLA TO GO ON THAT DATE IN THE WOODS SHE WOULD STILL BE HERE RIGHT NOW!" (he starts to sob)  
"I can still remember the songs i sang to her..."

(Stranded lullaby plays and Simon sings terribly)

Jeremy: (He walks to Simon and brushes the hair out of his face) "S-Simon, that song was wonderful. I'm sure Stella loved it."

Simon: "She always did, It was her favorite song that I used to sing."

Jeremy: "Well, I'm sure you had to blow all that steam off. You go steal that boat and head home Simon."

Simon: "Alright Jerma. Is it ok if I call you that? I've never called you that, so I'm just asking."

Jeremy: "Yeah, and I guess that will be the first and last time you ever call me that. Goodbye Simon."

Simon: "Goodbye Jeremy. I love you..." (Simon exits R)

(The curtains close and reopen on Simon back on a boat heading R)

Simon: "I can't believe all that happened... It was almost like a dream."

Simon: "I can't wait to get home."

(Dream sweet in sea major begins, Simon sings along, The song ends with Simon and Stella, wearing all white, walking off the stage. The curtains close)

(Variations on a Cloud begins and the curtains open to the cast walking on to the stage and bowing. Everyone says thank you and the actors exit the stage while Variations on a Cloud plays until the end)
